A CHANGING OF PRESIDENCY
Due to new career obligations, our President, Mr Andrew Morton, is unable to continue in this role this year. We thank Andrew for his dedication and hard work in helping to support and assist Clunes Public School students during the last 12 months and hope to still see him at our many community events.
We would like to welcome and congratulate Ay Shin Chiou who is taking on the President role. Ay Shin has worked tirelessly as a member of our dynamic P & C team and we hope she enjoys her new leadership role.

It has been an amazing week of exciting learning this week. Although amazing things happen in class every day – teachers can’t compete with bubbles and crash test science!

SHELL QUESTACON SCIENCE CIRCUS
K – 6 students enjoyed an action packed, investigative science workshop today. Alice and Karina from Questacon explored energy and how it can change, be swapped and shared (with the help of Miss Splats). They also presented the incredibubble science of bubbles – why are they round? why do they burst? and how did they trap those bubbles inside the bubble?

WORLD ENVIRONMENT DAY
Yesterday was a brilliant day out for our Year 5 and 6 students at the Lismore Recycling Centre. Please enjoy the photos and report on this event. I must also congratulate Lismore Council Recycling Centre on organising such a well-planned, cost-free, diverse and engaging day. Our thanks also goes to Mrs Gallagher, who accompanied us on this excursion.

CHESS
Next Friday our newly formed chess team are off to Modanville for a tournament. Our champion chess players are Wil, GiGi, Oscar, Toby, Isabella and Gemma. Good luck team!
Lastly, we hope everyone enjoys the long weekend and returns to school on Tuesday refreshed to complete the rest of Term Two.

Expectation of the week:
“The bell means – stop play, go the toilet, wash your hands, have a drink, then straight to lines!”

Michelle Slee
Relieving Principal

We are an accredited Waste Wise Ways School
**Student Assembly**

Our next assembly is on Friday 13 June at 2.15pm. Students from the 3/4 class will be performing an item for your enjoyment. All families are welcome to attend. Congratulations to the following students who received awards –

- K - Eva, Elija and Ayishah
- 1-2 - Lucas, Alisha and Jet
- 3-4 - Tony, Ethan and William
- 5-6 - Keeley, Pearl and Cooper

**Life Education**

The information and consent note regarding Life Education is coming home with students today. Harold and his off-sider will be at the school on Monday 16th and Tuesday 17th June. The cost for the program is $9 per child but the school is subsidising the cost by $4 so the cost to parents will be $5 per child. Please return notes and money by Friday 13th June.

**World Environment Day Report**

The years 5 and 6 took a bus to Northern Rivers RecyclingCentre. The point of this trip was to do activities to help us and other students in the area learn more about recycling, saving water and our environment. Our first activity was the recycling relay. In this activity we learnt which products go in which bins. Our next activity was looking at the differences we can make to stop water flooding in our areas by looking at a fabulous model of the Northern Rivers. After we went on a little walk and learnt about koalas and a terrible disease that can make them blind. Overall the day was really fun.

By Isabella & Maddie G

**Student Banking**

Student banking (with the Commonwealth Bank) is every Wednesday. Students bring in their bank book with money enclosed and deposit slip completed (please include the student number which should be on the inside cover of the book) for me to process at the school. Each time the student banks, they are given a token. When they have 10 tokens they can swap them for one of the rewards supplied by the bank. Currently rewards include a handball, soft toy key rings and a groovy whale pencil case. If you would like your child to commence banking simply pick up an application form from the front office.

**Notes Due to be returned**

- Life Education (whole school) - Friday 13th June
- Chess Competition (selected students) - ASAP

**P & C News**

Over the past 12 months I have had the pleasure of working with a P&C committed to providing a voice for the parents and community of Clunes and dedicated to helping the school provide the best environment for our children. Sadly I have had to stand down due to new work commitments. On Monday night, Ay-Shin Chiou was nominated and accepted the position of president, Ay-Shin has been a very active contributor to the P&C and I wish her the best of luck in the role. Please support Ay-Shin and continue to support the P&C.

Andrew Morton
Outgoing P & C President

**Need to buy uniforms?**

Sasha will be opening up the uniform shop on Monday 23 June for anyone who wishes to purchase. Uniform orders can be emailed to Sasha Murchison in advance if you wish. Sasha’s email address is smurcho@gmail.com
It’s been a big couple of weeks for COOSH. Firstly, the service celebrated a significant milestone; we’re ten years old this month! Happy Birthday COOSH! A special mention goes to Lyn Chittick (a Uniting church representative and grandmother to a number of our kids), who has been volunteering as the book keeper for the entire time the service has been in operation. What an amazing contribution!

Secondly, the service received feedback from our recent Department of Education and Communities visit. We are thrilled to report that we were deemed to be meeting every standard of the framework. This excellent result reflects the hard work of staff, the contribution of families and the support of a wonderful volunteer committee. As we embark on the next ten years providing this valuable service, it’s great to be recognised for the consistent quality care that we offer.

And finally, we’ve been busy with a bunch of cool activities. Check out the pictures to see what the children have been creating.
