Lake Ainsworth

From all accounts, students are having a marvellous time at Lake Ainsworth. The weather has been kind and although the dreaded virus sweeping through the school did dampen the week for some students, most have managed to recover in time to enjoy some of the camp delights.

Many thanks to Mrs Slee and Ay-shin who have been sent through photos – see if you can spot your child!

**COOSH News**

The little people have ruled the roost this week at COOSH with our big kids on camp. Much of our time has been spent enjoying the glorious weather; playing outside games and climbing on the equipment. Craftiness has occurred as usual with pompom monsters being made and fun with felt. Lego tower competitions have been had and Father’s day cards lovingly created.

The kids’ latest obsession is an energetic game called ‘killer’ which I assure you is a lot friendlier than it sounds.

The educators have been busily planning for our biggest fundraising event of the year, our ‘suitcase and bake’ sale on the morning of 22 November. It will involve any interested party bringing along a suitcase of their second-hand goods or handmade items to sell across from the Clunes Store and Cellars. For only a small fee you can get rid of unwanted clothes, toys, books – whatever really, make a profit and contribute to COOSH’s fundraising. At the same time there will be a range of delicious baked goods for sale, largely created by the COOSH kids themselves. So mark the date on your calendar and start collecting your ‘trash and treasure’. Of course more details will follow at a later date.

The COOSH Team
Currently Mr Sky has some baby chicks in the 1/2 classroom as part of the COGS Unit “Growing and Changing”.

Here are Robert’s story and pictures.

The baby chicks are small and very soft. They have two little feet, a body and two eyes. They also have a beak so they can eat. They huddle under the light to stay warm.
